

How to Borrow and Download an eAudiobook

Borrowing an eAudiobook takes only 3 simple steps

Step 1 - Borrow

- When you're in the BorrowBox website, click the green '**Borrow**' button.

Step 2 - Confirm

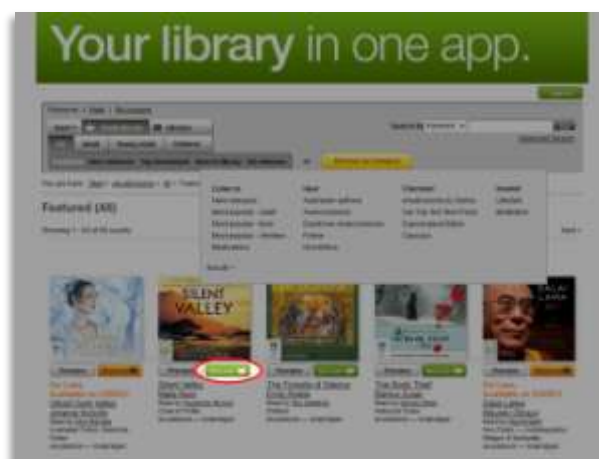

- Click the green '**Confirm Loan**' button.

(If you don't want to borrow the eAudiobook then simply click the red 'Cancel' button and you will be directed back to the previous page.)

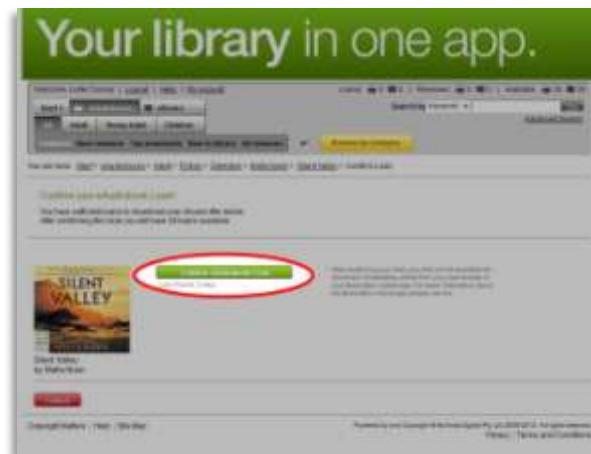

Step 3 - Download

You have the following options:

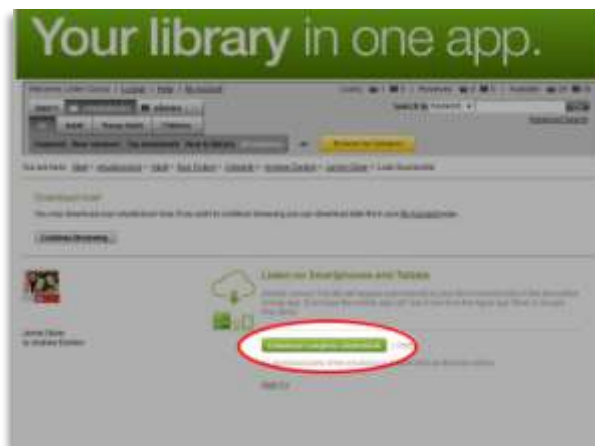

- Click green '**Download complete eAudiobook**' button to download the complete eAudiobook.
- Click the green '**Download first part of eAudiobook**' button to download the first part of the eAudiobook and the remaining later from your My account page
- Click the grey '**Continue browsing**' button and download the eAudiobook later from your My account page.
- There is also a reminder that all eAudiobooks can be downloaded on Android and iOS devices via our award winning app (please refer to Unit 3 for help using the app).

Download the eAudiobook

When you download an eAudiobook, you will have to save the file first.

In Internet Explorer you will see a file download box asking you to Open or Save the eAudiobook. Click save.

In Firefox you will see a prompt asking you to open with or save file. Check the save file option and then click OK.
